

Comedy Club Night March 10th

Headliner: Dave Temple

Originally from Philadelphia, Dave began stand-up comedy as a challenge amongst friends. Always known to be a gravitating force in social settings, he and 7 of his friends decided to put their entertaining skills to test. They were to meet at a local open-mic. However, only one of his buddies showed and as the saying goes "the rest is history." Dave brings an unadulterated view on life and his immediate surroundings with a poignancy that is unparalleled and leaves every single audience in stitches. **Credits: SiriusXM Radio**

Also appearing ... Dave Kious & Sue Freeman

Dave is a Kansas City comedian and radio personality. His style is easy going and involves the audience. He's been an opening act in theaters for **Weird Al**.

Susan's philosophy about comedy is simple: "the truth doesn't have to hurt; it's also not G-rated." Her blatant honesty about real-life topics is not for children. Freeman jokes primarily about family, relationships, aging, sex, drugs, dysfunction. Freeman's touring went international when she entertained troops in **Kuwait and Iraq for the USO**.
